We, the editors, would like to present this edition of the Central Hi Lites:

In Dedication to—

Mr. Frank Bennett

There is surely no one at Central who doesn't recognize this smiling chap who pushes brooms and totes waste cans. Mr. Bennett, our head janitor, does everything from cutting grass to fixing jammed lockers. But Frank carries out his work far beyond the call of duty, and always with a smile.

This is simply a small "Thank You" from all the students at Central, past, present and future, to a man who helps make Central the wonderful school that it is.

Dale Schmidt

In Memory of—

Whereof the man that with me trod
This planet was a noble type
Appearing ere the times were ripe,
That friend of mine who lives in God.

That God, which ever lives and loves,
One God, one law, one element,
And one far-off divine event,
To which the whole creation moves.

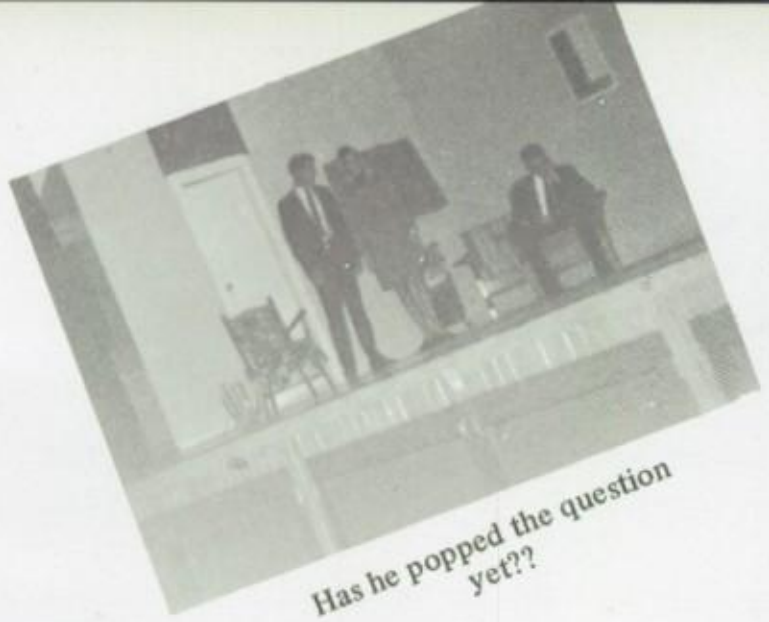
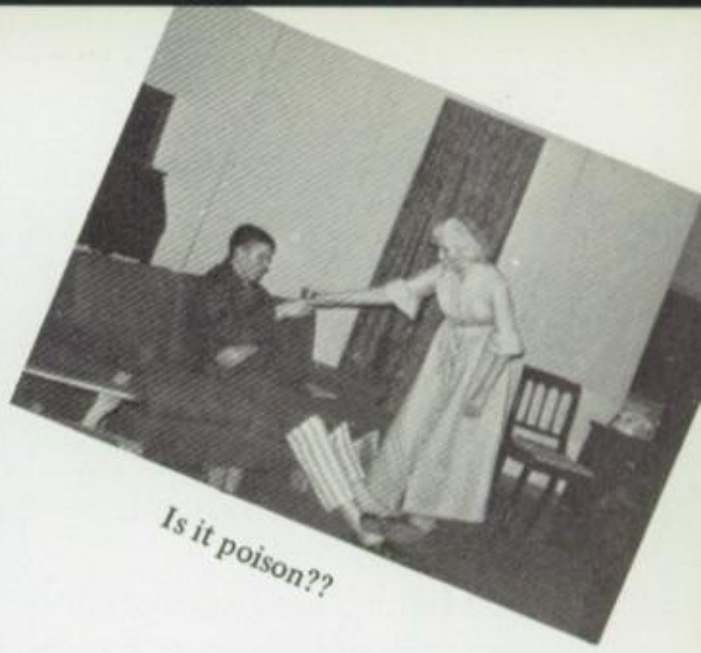
Mrs. Jake



Has he popped the question yet??

Teenage Problems!



Is it poison??

Well, if you want my opinion --

The Flying Nun!

Kathy! I think
we missed our cue.

Dead or Alive?

Just another ordinary day!

Is this what marriage is like?

Feminity at its best!!

MEN!!?!!

After the seniors managed to tear themselves away from the party at 5:00 A.M., and find their way to Central, they fought their way onto the buses and we were off for a memorable weekend in the Ozarks. At 7:00 A.M. after a rather quiet bus ride we arrived at Dabyn's Cafe in Mexico, Missouri for a hearty breakfast.

We left Mexico shortly before 8:00 A.M. and arrived safely at the Holiday Inn on the Lake of the Ozarks at about 10:00 A.M.

In spite of the rain and the cool weather, many of us went swimming. Even though it continued to rain intermittently throughout the trip, we all managed to keep ourselves occupied at the popular sport of just plain "having fun."

After a confusing and rather "eventful" Friday night, many got up early to make the most of a short weekend. And of course there were many who didn't have to get up, for the simple reason that they never went to bed in the first place!

After bidding a tired farewell to the Holiday Inn at 1:30 P.M., we strenuously boarded the buses. We then stopped at Bagnell Dam to look around and shop for souvenirs. At 3:30 we left Bagnell Dam and arrived once again at Dobyn's at 6:00 where we enjoyed a steak supper. Departing in good spirits we arrived at Central at about 9:30 P.M. Saturday night. Although we were tired, happiness filled our hearts as we realized that the Class of '68 had thoroughly enjoyed themselves.

The End

"BLUE

On Saturday evening, May 4th, 1968, the Seniors were entertained by the Juniors at a lovely prom entitled "Blue Hawaii". The gym had been turned into an island paradise complete with palm trees, volcano and native hut. The entertainment consisted of various acts from "Tiny Tom" to the cutest bunch of Hawaiian hula-dancers that could be persuaded to show up. Queen of the Prom was Nancy Lee and King was Jerry Juilfs.
